2 SELECTMEN'S NARRATIVE

During 1940 many rapid changes have taken place over the entire world which will cause repercussions even in our small community.

The country is for all practical purposes on a war footing. Our incomes are being taxed, our food is taxed, our transportation is taxed, and where it will end, no one knows. We have been able, during the past year, to employ our people on town work, and now we are starting to reap the benefits of our efforts. Only a few days ago the head of a family, who has been on relief for the past five years, secured his first real job and came to the office to tell us that he was on his own. That man did not want relief, but he did want a job. Many of our friends on relief are unemployable or ill; so in only a few cases will the war benefit our relief rolls. However, it has afforded a chance for real employment for any man who is willing to work, and our citizens have taken every advantage of new employment. It is for this reason that the Polls, on March 3, will be kept open until six in the evening, so that our voters, who work out of town, may have the privilege of voting without losing any time. As we told you last year, we have tried to secure an industry for the town; but with the limited time at our disposal and with no funds with which to work, this has been an uphill job and so far we have failed you in this endeavor. One of our citizens is now investigating a unit of a mill which might be desirable to have in the town. The weaving class is still functioning, and we understand that the ladies are starting to realize a profit on their investment.

In view of the better employment situation and the many unforeseen taxes we must pay in the future, we think it advisable to scrutinize every special appropriation asked for to be sure it is really needed before we assess ourselves to pay for it.

The local tax burden has been increasing for many years and has arrived at a figure which, in spite of every economy we can manage, many cannot pay. This year the tax rate should be lowered and can be lowered if we do not grant every special appropriation asked for.

If we are to attract year-round residents to our town, we must prove to them that our tax is reasonable for what they receive. If it is not reasonable, they will build in another town and our merchants and tradesmen will lose that much business.

If you will turn to page 36, you will see at a glance what we mean. You will see that unpaid taxes almost equal our town debt. There is no law which allows a tax collector to knock a man down and take his money, and the only recourse that we have is through the statutes which is a slow procedure and a very exact one. Possibly you say, why not take possession of this property and sell it. This can be done in a number of cases, but would you do it to old people who have lived honest lives and paid their bills as long as able? You would not. In spite of extraordinary effort put forward by your collector, there is now about \$14,000 unpaid 1940 taxes.

The coming year should show many unpaid taxes of long standing cleaned up, and therefore improve our future. We have found it necessary to start suit for taxes in a few cases.

We want to call your attention to just a few of the appropriations. We had ample money for police, until we had to send to New York for a man whose presence was necessary to stop a long claim on the town. Our accounting for police is on page 24.

The Board of Health is on page 24 and speaks for itself. The tennis courts had a very good year and were almost self-supporting, see page 15. Your Recreation Committee, appointed last year, deserves a lot of credit. We wish to direct your attention to the report of publicity on page 34. You will notice on page 36 that your present bond interest almost equals payments on the principal. This year a survey of all town property was made for insurance purposes. It was found that some buildings were over insured, many were under insured, and that if the contents of the building were moved, they were not insured at all. For the best interest of the town, three Master Policies were authorized at the Special Meeting, September 26, 1940, and were put into force on November 1, 1940. The initial cost of these policies caused an overdraft in the Contingent Fund for last year. (Page 35). Under the Master Policies, any personal property is covered anywhere in the State of Maine.

On page 12 you will find the expense of repairing Proctor Avenue at Goose Rocks Beach. This money was ear-marked from Commissioner Campbell's Road and Bridges money. A separate accounting was made for the records. Not being able to obtain authorization from the School Authorities to hold a dental clinic in the Manual Training room of the High School, your Health Advisor is having the children transported to Kennebunk. This transportation is furnished free by public spirited citizens of the town. (See page 23).

We are asking for an addition to "The Pier" at Cape Porpoise for more adequate docking facilities. Through the efforts of our senator and representative in Washington, we are working to have Cape Porpoise Harbor dredged and an additional basin made above the pier for the smaller boats which, if done, will leave the lower harbor for vessels and yachts. Through the Defense Commission we are trying to have Cape Porpoise made the base for the Mosquito Fleet now being built. We are also working for a deeper channel and a government dock in the Kennebunk River. Every person who wants these improvements can assist greatly if he will talk this up to people from Florida to Canada as we must show the Army Engineers at a future hearing that the whole Atlantic coast will benefit from the outlay of money. There are many other things we would like to discuss with you, but space will not permit.

Although alone we can do very little, with your splendid co-operation and with everything to offer year-round residents and tourists, Kennebunk Port can be made the best center in the state of Maine for play and relaxation. Let us pledge ourselves to use every person within our town as we would like to be used if we were strangers in this town.

W. H. Stevens
I. D. Cornealy
Carl F. Adams

LOUIS T. GRAVES MEMORIAL PUBLIC LIBRARY

February 5, 1941

Members of the Association:

Again it is my pleasure to submit to you the Financial Report as follows:

Our fiscal year does not end until June 2, 1941, when we have our annual meeting.

Again I wish to thank the citizens of Kennebunkport for their loyal support and co-operation.

Our Endowments Fund is \$16,500 in bonds with an annual income of \$785. The average rate of interest of the \$16,500 in bonds is 5%.

Again I am happy to state that during the year none of these bonds have defaulted, and all have paid their interest requirements.

Thanking you for your co-operation. I am

Respectfully yours,

Harold S. Gould, Treas.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Kennebunkport, Maine
February 1, 1941

To the Superintending School Committee of Kennebunkport:

I submit to you at this time the annual report of the Superintendent of Schools.

The School Census of April 1, 1940 shows there were 190 boys and 200 girls, a total of 390 persons between the ages of five and twenty-one years in the town on that date. There were 297 enrolled in the schools of Kennebunkport this fall, as shown by the following table:

Enrollment of Pupils at the Opening of the Fall Term, Sept. 9, 1940

School	Sub	1	2	3	4	5	6	7	8	Totals
'Port Grammar							7	7	5	19
'Port Intermediate				6	3	8				17
'Port Primary	7	7	7							21
Wildes Grammar					2	4	4	3		13
Wildes Primary	5	1	3	4						13
Cape Grammar							7	6	8	21
Cape Primary	3	3	6							12
Cape Intermediate				5	10	6				21
Hutchins Grammar					4	3	6	2	5	20
Hutchins Primary	5	6	4	8						23
Town House Grammar					3	5	2	6	4	20
Town House Primary	6	4	13	1						24
Totals	26	21	33	24	22	26	26	24	22	224
High School	Class of 1941					17				
	Class of 1942					8				
	Class of 1943					19				
	Class of 1944					29				
										73

Some changes have occurred in the list of teachers for the present year. At the Wildes School Miss Mary Nye and Miss Rita Luja have begun their work with us. At the Mill Road School Mrs. Lois Studley is substituting during the present year for Mrs. Eleanor Campbell who has been granted a year's leave of absence. Mr. Carleton Landry is the only new teacher at the High School. He is taking up the position of Manual Training instructor. After the short period necessary for every teacher on assuming a new position, I think the teachers just mentioned have carried on the work in an excellent manner.

This year for the second time the elementary teachers have attended a series of eight demonstration lectures on the teaching of English. Nine teachers from Biddeford and one from North Kennebunkport joined the class which was originally composed of teachers from Union No. 2. All the grade teachers of Kennebunkport are enrolled in this class, which indicates a desire for improvement on the part of those teachers. The course was inexpensive and I am confident that any tea-

cher who attended these demonstration lectures with the desire for improvement found many opportunities for help.

In addition to the repairs made regularly under Mr. Rand's attention, the interior of the rooms at the Mill Road School was completely refinished.

One of our urgent needs at the present time is a more suitable building for secondary education. The building we are now using is inadequate for our present day educational demands. For some time a Manual Training course has been offered to the boys but there has been no balancing course of Domestic Arts for the girls. A large percentage of the girls in our high school will marry in due time and have charge of their own homes. It is important that they should have some instruction in cooking, sewing, and general care of the home. Now we have no place in the village school in which a course in Domestic Arts could be maintained. I hope the voters will keep in mind this need in the education of their children and when the financial condition of the town permits plan the erection of a suitable high school building of which they may all be proud.

May I express my thanks to the teachers, to the members of the school committee, and to all citizens who have helped in carrying on the important work of educating our children.

Respectfully submitted,
John S. Carver

MUSIC SUPERVISOR

Superintendent John S. Carver

Dear Sir:

It is a privilege to submit my first annual report as Supervisor of Music in Kennebunkport.

It is my aim to inspire each child to be a lover of good music, and to find enjoyment in it through self expression, thus enriching life. I am trying to emphasize beautiful tone quality, to increase the music reading ability, and to make every lesson one in music appreciation. Some lessons have included listening to records of outstanding compositions from which the children derive much pleasure. As time goes on I hope to do more of this work.

In addition to the regular work done in the upper grades, a study of the world famous composers and musicians has made up a part of the work, and tests in theory are given occasionally.

In the primary grades songs in keeping with the seasons and special holidays have been presented. I have also endeavored to correlate the songs with their other studies. In some schools work is being done with rhythm bands.

This year the High School has a Girls' Glee Club, which has already appeared before the public on two occasions, one class a month for boys, also one class a month for the entire student body.

It has been said the "music study exalts life."

At this time I wish to express my appreciation for the cooperation and aid I have received from anyone with whom I have come in contact.

Respectfully submitted,
Ruth E. Perkins
Supervisor of Music

REPORT OF THE HIGH SCHOOL PRINCIPAL

Mr. John S. Carver
Superintendent of Schools

February 6, 1941

Dear Mr. Carver:

I am pleased to submit my fifth annual report as Principal of Kennebunkport High School.

In this report I shall try not to repeat in detail many of the things that have been discussed and recommended in my previous reports. I do, however, want to urge that due consideration be given when our town is in a position to provide a more modern school building. We can not forever afford to take the position that a building which was adequate two generations ago is going to be adequate always, for it requires more room and quite different facilities to sponsor the many activities expected to be conducted in a modern class A high school than it did even a few years ago.

While we appreciate the many fine things done for our young people I will not enumerate them all for it is probably more definitely my duty to call attention to some of our needs, all of which might well be met if a modern building could be provided. Our main room, seating but 50, is too small and not suitable as a social auditorium. Our science laboratory is not large enough to properly accomodate one-third of the number we try to serve. We are without a single spare room in which special speakers may interview or speak to small groups without interrupting a regular class. Our ventilation, toilet and lighting systems cannot be made what they should be in this building without making too great an expenditure. Then too, our gymnasium is inadequate and unsatisfactory if we are to properly consider the health and welfare of the many young people who are getting part of their training and guidance through a physical education program.

We have been making a special effort this year to encourage our students to spend more of the time they have outside of school in the preparation of their regular school studies. We have tried to show them how very much such additional effort may mean to them when they desire to find employment or attempt to enter some other institution, to say nothing of the lasting benefits to be derived from the habit of being busy. In order to further vocational guidance in our school, we have recently made arrangements with the Science Research Associates for the use of their Occupational Information System. We will thus be able to provide complete answers to practically all employment questions which students may raise and we expect to be able to better guide all students in the solving of their most important problem--that of choosing and preparing for their life work.

Our school has again established a creditable record in all of its interscholastic activities during the past year. We feel that we have reason to be especially proud of the splendid record our girls' basketball team had made in extending its undefeated series of games to what is now thirty-three straight, the last fourteen victories having been added this year. Such a record, we feel, is not made without the developing of many excellent qualities and habits, and it is our hope and belief that some of the conscientious effort and fine spirit that have made the above record possible are being and will continue

to be applied by our students in the classroom.

I am pleased to report that the new member of our faculty, Carleton A. Landry, has done very creditable work in our manual arts department. He has put in many extra hours of work and by setting a fine example has developed an industrious attitude in many of his pupils. I am pleased to report, also, that Miss Ruth Perkins has made very definite progress with her classes as our new music instructor, increasing the interest in this worthwhile activity to a noticeable degree.

Our enrollment this year has been up about ten per cent over the past two years, due to a larger-than-usual freshman class. The following brief statistics may be of general interest:

	Seniors	Juniors	Sophomores	Freshmen	Totals
Boys	8	3	7	16	34
Girls	9	5	12	13	39
	<u>17</u>	<u>8</u>	<u>19</u>	<u>29</u>	<u>73</u>

In closing, Mr. Carver, I would like once again to report to you my sincere appreciation of the support extended to our school by townspeople, social organizations and the various town officers. I desire, also, to express my gratitude to you and to the members of the Superintending School Committee for the many services and the progressive leadership you have all contributed to our school in the interest of the youth of our town.

Respectfully submitted,
John W. Abbott

HEALTH REPORTS

To the Honorable Board of Selectmen, Greetings:

During the past year, one hundred twenty nuisances were reported and all of them were corrected.

Many cases of Mumps, Measles, Whooping Cough and Chicken Pox were reported.

Not a case of Scarlet Fever was reported to me during the last year.

Ten cases of Pneumonia were reported to me during this year, but only three proved fatal.

The Town Dump proved very costly the past year, as we were obliged to give up the dump at the Town House. The same being purchased by Mr. Chester Adams. We opened a new dump back of the residence of Ernest G. Leach and all citizens are requested to use this dump. The public used the Adams Dump as a place to dump garbage and this was the cause of making the change to the Leach Dump.

Again I wish to express my appreciation to Dr. H. L. Prescott for the aid he has given me as local Health Officer; also aid given me by the local health advisor, Board of Selectmen and citizens who have co-operated with me in promoting better conditions in our town.

I recommend an appropriation of \$500 for the Health Department for the year 1941.

Walter L. Goodwin
Health Officer

To the Citizens of Kennebunkport:

The school pupils have been examined and health talks given in the grade schools.

Morning inspection is given by the teachers in the lower grades and prizes will be awarded for the cleanest boy and girl at the end of the school year.

There have been a few cases of chicken pox and five cases of Scabies. These have been given treatment and books fumigated.

We have been most fortunate in preventing skin infections, due to the cooperation of Dr. Prescott and the teachers.

School dental and eye clinics have been started and as a result I hope to have more seven point health children. Last year there were fifty.

I find sanitary conditions very unsatisfactory at the Hutchins School. Due to lack of running water there is no place for the teachers or pupils to wash their hands and all bring their lunch and stay for both sessions. Also there have been several complaints from parents about the toilets in the Village High and grade schools. They are very hard to keep in a sanitary condition because of the type of plumbing.

Respectfully submitted
Ethel B. McKinney

FIRE INSPECTOR'S REPORT

During the past year there have been no complaints turned in to your inspector. I made some inspections of property but found that in most cases the fire hazard was well taken care of. However, we must always be on guard against that grim enemy fire which takes many lives and injures as many as the autos each year. To reduce the expenses of all fire companies please secure a permit from your Fire Chiefs of the companies before burning grass or trash during the coming year. Keep all ashes in a metal receptacle away from wood work and destroy all cleaning rags and waste paper. A fire in your cellar in the middle of the night may kill your family and destroy your neighbors' property. Please do your part in preventing fires.

Philip W. Bragdon
Fire Inspector

ARUNDEL FIRE COMPANY

Town Appropriation, paid to W. Littlefield and E. Hoff 1650.00

REPORT OF ARUNDEL ENGINE COMPANY

I respectfully submit the following report:

The company answered a total of 20 calls during the year with 2 out of town calls, 8 chimney, 3 still, 3 buildings, 4 brush fires, with the only damage to property being the Stauffen cottage and the Seavey henhouse amounting to a \$11,200 fire loss.

During the past year a total of 431 members attended the regular monthly meetings, with an average of 36 members for each meeting.

The following members did not miss a meeting during the entire year:

Raymond Driscoll	Clifford Seavey
John Eldridge	Francis Smith
W. C. Goodwin	Harold Smith
Ralph Leach	Frank Thompson
John Martin	B. F. Warner
Clifford McCabe	A. W. Warner
Charles Nedeau	Robert Warner

During the year we lost two members: W. H. Littlefield and Herbert Cluff, and elected to the company Earl Bibber and Arthur Gott, leaving one vacancy.

John F. Eldridge
Chief Engineer

REPORT OF PUBLIC HEALTH NURSING

During 1940, 92 home visits have been made to prenatal patients, infants and preschool children.

Arrangements were made for five children to attend the clinic for crippled children conducted by the State Bureau of Health. Follow-up visits were made in the homes to assist the family in carrying out clinic recommendations.

Nellie B. Morse
Field Nurse
State Bureau of Health

REPORT OF PUBLICITY COMMITTEE

Your Committee felt that the Information Bureau should be located on #1 Highway at Cozey Corner, and we therefore erected a small building at that place and it was open for business from June 15 to August 31. 5222 Tourists called at the Bureau for information, and many of this number we were able to re-route through #9, the Shore Line, to Kennebunkport, Cape Porpoise and the Goose Rocks. 1700 people were supplied with literature, 1500 letters were mailed, 405 local tours were arranged, and information given on all manner of subjects pertaining to Kennebunkport and vicinity. This courtesy was evidently appreciated as twenty-six different people wrote the Bureau, after their arrival home thanking us for making their stay in Kennebunkport a happy one.

We are now working to have #9 further widened at Cozey Corner, a yellow light placed there to slow up traffic and the number 1A added to #9 as out of town people do not know #9 but do know #1A as the Shore Route.

The Tennis Courts were kept in excellent playing condition all Summer and were open every day in the week and as late as people cared to play. Many out of town visitors used these courts and stated they would come to the 'Port next summer where they would be near to play.

We also feel directional signs should be placed at appropriate situations in the Town so that our visitors could find their way about. It is most confusing at the present time and causes much annoyance.

Space does not allow us to go into further detail here, but a detailed report is on file and open to the Public. The financial report is below.

WARRANT

FOR ANNUAL TOWN MEETING

Monday, March 3, 1941

To Stephen H. Ward, a constable in and for the Town of Kennebunkport, in the County of York and the State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said town of Kennebunkport, qualified by law to vote in Town affairs, to assemble in the Town Hall of said town of Kennebunkport on Monday the third day of March A. D. 1941, at nine o'clock in the forenoon, then and there to act on the following articles, viz:

1. To elect a Moderator to preside over said meeting.
2. To elect, under the provisions of Sections 38 to 52 inclusive of Chapter five of the Revised Statutes of Maine, duly accepted by said Town, the following Town Officers for the ensuing year, namely, one Town Clerk and Collector of Excise Tax; one Selectman, Assessor and Overseer of the Poor for the Village District; one Selectman, Assessor and Overseer of the Poor for the Middle District; one Selectman, Assessor and Overseer of the Poor for the Lower District; one Town Treasurer; one Road Commissioner for the Village District; one Road Commissioner for the Lower District; one Superintending School Committeeman for three years; one Fire Inspector; one Collector of Taxes and Town Constable; seven Constables; one Auditor.

The polls will be open at nine thirty o'clock in the forenoon and will remain open until six o'clock in the afternoon, when they will close.

The Selectmen hereby give notice that they will be in session at the Municipal Office for the purpose of correcting the list of voters. on the afternoons of February 27, 28 and March 1, A. D. 1941 from two until five o'clock and on the day of said Town Meeting from nine o'clock in the forenoon to one-thirty in the afternoon at the Town Hall.

3. To determine the number and location of schools to be maintained in said Town during the ensuing year.

4. To see what sum of money the Town will appropriate and raise by assessment for the support of Common Schools, including salaries of teachers and janitors, fuel and conveyance of common school pupils.

5. To see if the town will vote to maintain a free High School for the ensuing year.
6. To see what sum of money the Town will appropriate and raise by assessment for the support of a free High School, including fuel and salaries of teachers and janitors.
7. To see what sum of money the Town will appropriate and raise by assessment for the purchase of Text Books.
8. To see what sum of money the Town will appropriate and raise by assessment for school supplies and for janitor supplies.
9. To see what sum of money the Town will appropriate and raise by assessment for school incidental expenses.
10. To see what sum of money the Town will appropriate and raise by assessment for repairs on school buildings.
11. To see what sum of money the Town will appropriate and raise by assessment for Manual Training in the High School.
12. To see what sum of money the Town will appropriate and raise by assessment for the employment of a Superintendent of Schools for the ensuing year.
13. To see what sum of money the Town will appropriate and raise by assessment for the repair and purchase of Flags for the schools.
14. To see what sum of money the Town will appropriate and raise by assessment for conveyance to and from the free High School.
15. To see what sum of money the Town will appropriate and raise by assessment for School Athletics and other School Activities.
16. To see what sum of money the Town will appropriate and raise by assessment for the upkeep and improvement of Parsons Athletic Field for the ensuing year.
17. To see if the Town will appropriate and raise by assessment the sum of \$150 for the support of the Community Library at Cape Porpoise.
18. To see what sum of money the Town will appropriate and raise by assessment for the support of the Louis Graves Memorial Library.
19. To see if the Town will appropriate and raise by assessment the sum of \$490 for insuring buildings and personal property.
20. To see if the Town will vote to authorize and instruct the Moderator to appoint ten citizens to serve on the Budget Board for two years.
21. To see what sum of money the Town will appropriate and raise by assessment for the employment of Police during the ensuing year.

22. To see what sum of money the Town will appropriate and raise by assessment to defray expenses of the Board of Health for the ensuing year.
23. To see what sum of money the Town will appropriate and raise by assessment for the payment of Snow Removal bills and equipment to be purchased and repairs to be made during the ensuing year.
24. To see what sum of money the Town will appropriate and raise by assessment for the payment of Street Lighting for the ensuing year.
25. To see what sum of money the Town will appropriate and raise by assessment for the payment of Hydrant Rentals for the ensuing year.
26. To see what sum of money the Town will appropriate and raise by assessment for Contingent Expenses including salaries and expenses for Town Officers, and Aid for Dependent Children.
27. To see what sum of money the Town will appropriate and raise by assessment for the State Patrol of State Aid Roads within the Town now maintained by the State of Maine.
28. To see what sum of money the Town will appropriate and raise by assessment for State Aid road Construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 19 Chapter 28 of the Revised Statutes of 1930, or under the provisions of Section 3 of Chapter 229 of the Public Laws of 1937.
29. To see what sum of money the Town will appropriate and raise by assessment for Maintenance of improved sections of Third Class Roads in accordance with the provisions of Section 44 and 46 Chapter 28 of the Revised Statutes of 1930 as amended by Sections 4 and 5 of Chapter 229 of the Public Laws of Maine 1937.
30. To see what sum of money the Town will appropriate and raise by assessment for cutting bushes on State Aid and 3rd Class roads during the ensuing year.
31. To see what sum of money the Town will appropriate and raise by assessment for the repair of Roads and Bridges.
32. To see what sum of money shall be paid per day for Road Commissioner's services, trucks, teams and labor; and to determine the number of hours that shall constitute a work day.
33. To see what sum of money the Town will appropriate and raise by assessment for the support of the Poor.
34. To see what sum of money the Town will appropriate and raise by assessment for the Arundel Engine Company.

35. To see if the Town will appropriate and raise by assessment the sum of \$500 for the Atlantic Hose Company No. 2 at Cape Porpoise.
36. To see what sum of money the Town will appropriate and raise by assessment for the expense of the Goose Rocks Beach Fire Company.
37. To see what sum of money the Town will appropriate and raise by assessment for the Village Improvement Society.
38. To see if the Town will appropriate and raise by assessment the sum of \$66 for the observance of Memorial Day, the same to be spent under the direction of the G. A. R. and/or Harold Webber Post A. L.
39. To see what sum of money the Town will appropriate and raise by assessment for Tarvia to be applied on the streets and roads of Kennebunkport, including material and labor.
40. To see if the inhabitants of the Town of Kennebunkport will authorize its Town Treasurer to negotiate temporary loans to and for the use of the Town of Kennebunkport, to pay indebtedness of said Town due and to become due during the present municipal year, to be paid out of money raised by taxation during the present municipal year, said sum not to exceed in the aggregate \$40,000 and to execute and deliver the note or notes countersigned by the municipal officers of the said Town.
41. To see if the Town will appropriate and raise by assessment the sum of \$4298 to pay interest on outstanding bonds and to redeem Series "A" bonds Nos. 58, 59 and 60 due September 1, 1941 in the principal amount of \$1500 and Series "B" bonds Nos. 58, 59 and 60 due December 1, 1941 in the principal amount of \$1500.
42. To see what sum of money the Town will appropriate and raise by assessment to continue the publicity program in the interests of the summer resort trade through the municipal year 1941 and 1942. Said money to be expended by a committee of three to be appointed by the Moderator.
43. To see what sum of money the Town will appropriate and raise by assessment to spray the trees bordering on town streets and ways in Kennebunkport Village, Cape Porpoise and Goose Rocks Beach.
44. To see if the Town will vote to authorize the Town Treasurer on behalf of the Town to sell and to dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as he deems advisable, and to execute quitclaim deeds for such property or discharge the lien thereon.
45. To see what sum of money the Town will appropriate and raise by assessment to repair what is known as "The Pier" at Cape Porpoise for use as a Town Landing.
46. To see if the Town will appropriate and raise by assessment the sum of \$750 to blast ledges and widen road beginning at George Furbush and extending towards Lester Wildes,

47. To see if the Town will vote to discontinue the Town Way as set forth in the following petition: We, Dr. C. L. Overlander, Ruth F. Overlander, J. M. Johnson, Agnes Johnson, Gloria A. Ludwig, Elsie S. Bellamy, Winfield C. Towne, Helen M. Towne, Don Chamberlin, William R. Benson, Emelia Benson, who are the owners at Goose Rocks Beach of property abutting on the highway known as the King's Highway, which at the present time has never been completed, or even improved, and remains as it has over the past several years, a dirt road,--and has never been used extensively since its taking, because it has never been connected through to any other highway, and could not be connected through without a bridge being built, and no highway has been built on the other side of the river to connect with such a bridge.

We, therefore, as petitioners, request you as a Board of Selectmen to put in the Town Warrant at the next Town Meeting, an article to grant to you as such Board of Selectmen, the authority to take all necessary legal steps, and also authority, to convey the land taken for a highway to the abutting landowners, said land to be kept open as a private right-of-way for the benefit of the abutting landowners.

This petition is brought by the above named petitioners for the following reasons, viz.

Because of increasing numbers of Sunday and holiday picnic and all-day outing parties,

1. Property values have deteriorated and a real objection has been created in the salability of abutting property.

2. The privacy and tranquility of people living in the community has been destroyed.

3. Unsanitary conditions are created.

4. Undressing and dressing in and out of cars parked along the sides of the road and on private property are commonly seen, as well as careless behavior on the beach, thus damaging the dignity of the community.

5. Constant trespassing prevails regardless of "No Trespass" signs posted by all owners, and

6. The two-hour parking restriction is completely disregarded.

Therefore pray--

1. That you will place in the Town Warrant the article as above suggested, to be acted upon at the next Town Meeting.

2. If the Town grants the Selectmen the right to take the necessary legal steps to convey the title back to the present abutting owners, then you will take such necessary steps to convey title back to the abutting property owners.

3. That you will take all necessary steps under the statutes to perfect the title to the present abutting owners.

4. To do everything under the circumstances.

48. Ordered that notice of a public hearing upon the following proposed zoning ordinance for the Town of Kennebunkport to be held at the Town Hall at the Town House at Kennebunkport, Maine on Thursday, February 27, 1941 at seven thirty of the clock P. M. be given by publication of the proposed zoning ordinance and of this order thereon at

least thirty days before the said hearing in a newspaper published in Kennebunkport, Maine or in a newspaper published in York County, Maine.

Dated at Kennebunkport, Maine, January 25, 1941.--W. H. Stevens, Carl F. Adams. Selectmen, Town of Kennebunkport, Maine.

Proposed Zoning Ordinance

An ordinance regulating and restricting location, construction and use of buildings and the use of premises in the Goose Rocks Beach section of the Town of Kennebunkport.

Be it ordained by the Town of Kennebunkport, as follows:

This ordinance shall affect that portion of the Town of Kennebunkport contained within the following boundaries: Commencing at mean high water mark on the Beach at the Batson's River on the South, extending therefrom along said mean high water mark to the Little River at the North end of the Beach, extending Westerly from the said bounds to Route #9 which runs directly between Cape Porpoise and Fortune's Rocks.

Within the foregoing portion of the Town of Kennebunkport no buildings or premises shall be used and no building shall be hereafter erected or structurally altered except for the following uses:

1. One-family dwellings, two-family dwellings, multiple dwellings.
2. Boarding houses, lodging houses, but not overnight cabins so-called, hotels not involving the conduct of any business other than for the sole convenience of the guests thereof.
3. Accessory uses, customarily incident to any of the above uses including a private garage, except any accessory use which by reason of the appearance of the building or premises, or the emission of odor, smoke, dust, or noise is detrimental to the residential character of the neighborhood; provided that in no event shall commercial advertising signs be permitted as accessory uses except signs appertaining only for the lease, hire or sale of the premises or building or part thereof and provided further that the total area of such signs shall not exceed twelve (12) square feet.

Any person or persons, firm or corporation owning or having control of any building or premises, or part thereof, who violates any of the provisions of this ordinance, or who fails to conform to any of the provisions thereof, or other persons who shall assist in the violation of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be fined not less than five (\$5) dollars nor more than fifty (\$50) dollars. Each day such violation or failure to comply continues after notification thereof shall constitute a separate offense.

This ordinance may be amended and its regulations, boundaries and classifications changed by an affirmative vote of a majority of the electors of the town voting by written or printed ballot at a regular or special town meeting legally warned, called and conducted, provided that the statutory provisions pertaining to public hearings and to the form of submitting the question to the voters are fully complied with.

Should any section, or part thereof, of this ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

All ordinances and parts of ordinances in conflict herewith are hereby repealed, but only to the extent of such conflict.

This ordinance shall take effect and be in force from and after its adoption in accordance with the provisions of Section 143 of Chapter 5 of the Revised Statutes of Maine, and acts additional thereto amendatory thereof.

49. To see if the Town will appropriate and raise by assessment the sum of \$500 to widen and straighten the road opposite the residence of the late Lenoard Dow.

50. To see if the Town will vote to grant and raise the sum of \$500 to gravel the road from the beach of Fishers Lane to the back cove.

51. To see if the Town will vote to grant and raise the sum of \$800 to lower the grade of the corner of the old school house lot in the square at the Cape; and build side walk around same.

52. To see if the Town will vote to elect, or appoint, a Committee to investigate the desirability of zoning said Town, to hold public hearings thereon and to prepare a Zoning Ordinance for the consideration of the inhabitants. Such Committee to consist of a number of citizens to be designated by vote of the Town.

53. To see if the Town will appropriate and raise by assessment the sum of nine hundred dollars to repair and rebuild what is known as "The Mill Pond Dam" in the village of Kennebunkport Maine to provide fire protection by flowage behind the dam.

54. To see if the Town will appropriate and raise by assessment the sum of \$1,500 to straighten, grade and resurface the road beginning at bridge above Mrs. A.W. Jefferys and continuing northwest toward route 9, also ease the grade and angle at intersection of route 9.

55. To see if the Town will appropriate and raise by assessment the sum of \$500 to improve the avenues at Goose Rocks Beach.

56. To see if the Town will appropriate and raise by assessment the sum of \$500 to install a drain pipe at Goose Rocks Beach between Edgewood Road and Belvidere Avenue.

57. To see if the Town will vote to raise by assessment the sum of \$750 to repair any or all the cement sidewalk on Ocean Avenue between the Properties of E.W. Robertson Heir and that of John Peabody.

58. To see if the Town will vote to raise by assessment the sum of two thousand dollars (\$2000) to continue building road started at Wilbur Wildes Corner and continuing on towards the Wildes District.

59. To see if the Town will adopt and enact the following ordinance. The ordinance: It shall be unlawful for any person, firm or corporation to erect, build or move any building or other structure within the limits of this Town or make alterations and repairs to existing structures or buildings if said alterations or repairs exceed one hundred dollars in cost without first obtaining a permit from the building inspector and paying therefor a fee of twenty-five cents for said permit. Any person firm or corporation who violates this ordinance or any part thereof shall pay a fine of five dollars for each separate offense.

60. To see if the Town will adopt and enact the following ordinance. The ordinance: That Temple Street from its intersection with Spring Street near the residence of Wilbur F. Goodwin, to its intersection with North Street near the South Congregational Church shall be a one way street with traffic moving only in a Northerly direction. That North Street from its intersection with Temple Street near the South Congregational Church to its intersection with Maine Street near the Masonic Building shall be a one way street with traffic moving only in a Northeasterly direction. All streets or Town Ways described in this ordinance are within the limits of the Town of Kennebunk Port. Whoever violates this ordinance shall be subject to a fine of five dollars for each separate offense.

61. To hear the reports of Committees and appoint new Committees.

62. To transact any other business that may legally come before said meeting.

And you are alike required to notify and warn the inhabitants of said town that the Selectmen will be in session at the Selectmen's Office on the 27th and 28th day of February and 1st day of March A. D. 1941 from two to five P. M., for the purpose of correcting the list of voters. Hereof fail not and make due return of this Warrant with your doings hereof on or before the hour of said meeting.

Given under our hands this twentieth day of February 1941.

WE HAVE TAKEN A PICTURE OF WARNER'S SHIPYARD FOR OUR COVER THIS YEAR.

THE OWNER BERNARD F. WARNER HAS LIVED IN KENNEBUNK PORT SINCE CHILDHOOD AND GROWN UP WITH THE TRADITIONS OF SHIPBUILDING WHICH HAVE ALWAYS BEEN ASSOCIATED WITH OUR TOWN.

MR. WARNER SERVED HIS APPRENTICESHIP UNDER THE LATE CAPTAIN GEORGE H. CHICK, WHO CONDUCTED A BOAT SHOP ON WHAT IS KNOWN AS "CHICK'S CREEK". IN 1910 MR. WARNER ESTABLISHED HIS OWN YARD NEAR WHAT IS NOW "THE HAPPY LITTLE SHOP", USING THIS BUILDING FOR HIS WORK.

IN 1929 HE MOVED HIS YARD TO ITS PRESENT LOCATION AND BUILT A NEW MILL. IN THIS YARD HAVE BEEN BUILT OVER 54 LARGE FISHING BOATS, SOME OVER 100 FEET OVER-ALL. WARNER'S YARD IS THE ONLY INDUSTRY IN TOWN AND GIVES EMPLOYMENT TO MANY MEN. HONEST WORKMANSHIP HAS BEEN REWARDED BY MANY VESSELS BEING BUILT FOR THE SAME OWNERS.

SINCE 1605 KENNEBUNK PORT HAS ALWAYS BUILT THE FINEST SHIPS.
